The Stardust Arts, Reaches for the Stars and Creates Dreams in Art. Visit www.thestardustarts.com and be amazed with the possibilities.

The Stardust Arts is currently offering visual art classes for the remaining school year for after school programs - 2011 and is accepting registration for the 2011 school year in the North County Area. Let us design your art program.

Completing a program for 11 elementary schools in the Oceanside District, 2009-2010 the project involved the After School Program with 1740 students creating art.

During the summer months, The Stardust Arts provided the art program for the Carlsbad Boys and Girls Club in Carlsbad for the months of June through August, and was wonderfully accepted.

The testimonials from Principals, parents and friends of Stardust have stated, *"It has no peers, none have brought such quality and touched so many with art"*. Marjoriw Oliver, Principal, Garrison Elementary, Oceanside, CA.

Should your school be interested in The Stardust Arts, School Art Program, please contact: Cheryl Ehlers for additional details.

Remember, without art you do not have a well rounded education.

The Stardust Arts also provides community support for city events for the youth.

Thank you.
